

Kingdom Wardens - Character Transfer

1) In the old game file, where the characters to be transferred are, open the game options and click on “Transfer Characters”. Then the screen below will be displayed. Click on “Export Characters”.

2) Go to the game folder in the path: ...\\data\\Transfer

3) Copy the “Backup.RnC” file that will be inside the old game folder and paste it inside this same folder (...\\data\\Transfer) of the new game.

4) Open the new game, in the options click on “Transfer Characters”. Then click on “Import Characters”.

5) Your characters will be available to play.

NOTE: Remember that old game chest items **will be lost**. However, the items on the characters (backpack and equipped) will be maintained.
